CARES FUNDING - Spring 2022

Due to the ongoing national emergency, the Department of Education is continuing to provide CARES Act funds for students\* at Oconee Fall Line Technical College

These funds will be awarded again during the Spring 2022 term - in tiers- based on your Expected Family Contribution (EFC), which is determined by the completion of your 2021-2022 FAFSA.

As with the Fall 2021 term, students will have the flexibility to use these funds to cover any outstanding institutional charges (i.e. tuition and fees), if applicable. In addition, there is NO application for these funds.

Although these funds are not conditional for future enrollment, only students will be eligible to receive these funds.

The Office of Financial Aid will begin the fall awarding process December 6th.

This is great news for our students, as they continue to pursue their dreams at Oconee Fall Line Technical College!
