Our College & Salons

The Mission of Oconee Fall Line Technical College

The mission of Oconee Fall Line Technical College, a unit of the Technical College System of Georgia, is to contribute to the economic and workforce development of east central Georgia through quality technical and continuing education, adult education, and business and industry services. The College offers associate degrees, diplomas, technical certificates of credit, and non-credit certificates in a student-centered learning environment through traditional and distance education modes of delivery.

Cosmetology* Program Mission Statement

The students of the Cosmetology Program will satisfy the clock/credit hour requirements of the Georgia State board of the Cosmetology in order to apply for the licensure exam and while doing so will be equipped academically, and be proficient in the practical skills necessary to pass the licensure exams. The Instructional program will also include guidance to build strong, foundational knowledge, processes, and safety procedures. The program is designed to help the student acquire greater self-confidence and professional pride to take to the work force.

** Cosmetology is a term used to incorporate a broad range of specialty areas, such as hairstyling, nail technology and esthetics (skin care).*
