

2018-2019 Proof of Separation/Divorce

Student's Name (Last)

(First)

Student ID

Date of Birth

Your financial aid application indicated you (or parent) are divorced or separated. In order for your file to be processed and your financial aid awarded please return this form along with the following information to the Financial Aid Office. Federal law mandates that if a person is married then both incomes must be included in the calculation for financial aid. As Georgia does not recognize marital separations, the financial aid office has the responsibility of assuring the party in question is no longer living with a spouse.
