McRae Rotary Club GED Scholarship
OFTC Foundation South Scholarship Program

The McRae Rotary Club Scholarship is awarded annually to the OFTC Foundation South. The scholarship is designated for Telfair County GED (General Educational Development) graduates who will enroll or are enrolled in a credit program at Oconee Fall Line Technical College’s Little Ocmulgee Instructional Center.

The scholarship is given in part to fulfill the Rotary International organization’s commitment to Adult Literacy and to encourage local GED graduates to continue their education.

The monetary stipend is awarded at the rate of the $250 per semester (fall and spring), and the stipend will be paid directly to the student. The Foundation will award one scholarship each fall and spring semester and it may be awarded to a student who receives other scholarship awards. Applications must be completed each semester, and the student applicant must be registered for the semester he/she is requesting assistance. The stipend will be paid by a check from the OFTC Foundation South to the student recipient(s) upon successful registration for each of the (2) semesters of eligibility.

A selection committee with representatives from the McRae Rotary Club and OFTC will make the decision on selection of the recipient. To be eligible for consideration for this award, the applicant must apply to Oconee Fall Line Technical College upon graduation from the GED program. Priority will be given to students beginning their technical college studies at OFTC’s Little Ocmulgee Instructional Center in Helena. Award is pending acceptance to and enrollment at Oconee Fall Line Technical College.
McRae Rotary Club GED Scholarship
OFTC Foundation South Scholarship Program
Open to graduating Telfair County GED Diploma recipient who will be enrolling in a credit program at Oconee Fall Line Technical College.
