Welding and Joining Technology Diploma

The Welding and Joining Technology diploma program is designed to prepare students for careers in the welding industry. Program learning opportunities develop academic, technical, professional knowledge and skills required for job acquisition, retention, and advancement. The program emphasizes welding theory and practical applications necessary for successful employment. Program graduates receive a Welding and Joining Technology diploma, have the qualifications of a welding and joining technician, and are prepared to take qualification tests.

Students are accepted into the Welding and Joining Technology diploma program every semester. A full-time student can complete this program in 4 semesters. To graduate, students must earn a minimum of 57 semester credit hours

147	02-04-19	Robotic Technician Technical Certificate of Credit		
		The Robotic Technician technical certificate of credit pro-gram is designed for the students who wish to enhance their automation skills for employment at companies who have robots.		

The Robotic Technician certificate of credit provides learning opportunities which introduce, develop, and rein-force academic and occupational knowledge, skills, and attitudes required for job acquisition, retention and advance-ment. Additionally, the program provides opportunities to up-grade present knowledge and skills or to retrain in the area of robotic technology. Graduates of the program receive a Robotic Technician Technical Certificate of Credit.

Students are accepted into the Robotic Technician certificate program every semester. A full-time student can complete this program in 2 semesters. To graduate, students must earn a minimum of 20 semester credit hours.

CAREER TRAITS/REQUIREMENTS

Individuals wanting to enroll in the Robotic Technician certificate program must have good work ethics, be people oriented and possess great organizational skills.

OFFERED AT THE FOLLOWING CAMPUS

- South Campus (Dublin)
- Little Ocmulgee Instructional Center (LOIC)

SALARY POTENTIAL

- \$30,000 - \$45,000

		<p>PROGRAM COSTS</p> <ul style="list-style-type: none"> • Tuition & Fees: \$2,049.00 • Books & Supplies: \$700.00 <p>(Costs are estimated and are subject to change.)</p>
108	02-04-19	<p>Child Development Specialist Technical Certificate of Credit</p> <p>The Child Development Specialist technical certificate of credit program is a sequence of five courses designed to prepare students for a variety of careers in the field of early childhood education. The program emphasizes the basics needed for a career in early childhood, but this TCC also includes more content about planning curriculum and working in the field. In addition, the student may complete a practicum and work in a child care program. Graduates have qualifications to be employed in early care and education settings including child care centers, Pre-K programs and Head Start.</p> <p>Students are accepted into the Child Development Specialist certificate program every semester. A full-time student can complete this program in 2 semesters. To graduate, students must earn a minimum of 14 semester credit hours. If students choose the option of taking the practicum, they must submit to a GAPS fingerprint check.</p>
110	02-04-19	<p>Early Childhood Exceptionalities Technical Certificate of Credit</p>

		<p>The Early Childhood Exceptionalities technical certificate of credit program is a sequence of three courses designed to prepare students to work with children with special needs. The program emphasizes an inclusive classroom including strategies and activities for exceptional children (both low and high achieving students). Graduates have qualifications to be employed in early care and education settings including child care centers, Head Start, Georgia Pre-K programs, and primary schools.</p> <p>Students are accepted into the Early Childhood Exceptionalities certificate program every semester. A full-time student can complete this program in 2 semesters. To graduate, students must earn a minimum of 9 semester credit hours.</p>
112	02-04-19	<p>Infant/Toddler Child Care Specialist Technical Certificate of Credit</p> <p>The Infant/Toddler Child Care Specialist technical certificate of credit program is a sequence of five courses designed to prepare students with the basics needed for working with infants and toddlers. The program provides an intense look at understanding and learning activities and proper care needed for infants and toddlers. Graduates have qualifications to be employed in early care and education settings including child care centers and Early Head Start.</p>

		<p>Students are accepted into the Infant/Toddler Child Care Specialist certificate program every semester. A full-time student can complete this program in 2 semesters. To graduate, students must earn a minimum of 15 semester credit hours.</p>
