

3.3.3. OFTC Solicitation Procedure

Solicitation by Off-Campus Individuals or Organizations

No off-campus individual or organization may distribute literature, advertise, solicit customers, recruit volunteers, employees or members, seek donations, or make sales on campus without the express authorization of the Dean of Student Affairs-South Campus. This includes Commercial Sales and Charitable, Political, or Religious Solicitation.

Vendors requesting authorization to offer products or services on campus must submit a written request directed to the Dean of Student Affairs-South Campus specifying all products and services to be offered and indicating the specific dates and campus for which they are seeking authorization. Approval of all requests shall be at the discretion of the Dean of Student Affairs-South Campus or an appointed designee.

Oconee Fall Line Technical College reserves the right to refuse access to the campus if the activity creates a safety hazard, is disruptive to normal business operations or otherwise fails to comply with the requirements of this policy.

This policy does not apply to individuals or organizations who are invited to campus by authorized Oconee Fall Line Technical College administrative personnel as part of an approved College activity or event.

Vendor Guidelines

All vendors who wish to be authorized to offer services or products must be approved by and registered through the Dean of Student Affairs-South Campus. Oconee Fall Line Technical College does not endorse, nor does it recommend any of the services offered by any vendor. A request may be denied if the Dean of Student Affairs-South Campus determines that the proposed event will constitute a clear and present danger to the College's orderly operation by the group through their advocacy of one or more of the following:

1. Provoking individuals to engage in immediate violence, including, but not limited to, the violent overthrow of the Government of the United States, the State of Georgia, or any political sub-division thereof.
2. The willful seizure, damage, or destruction of the College's buildings or other property.

5. Other campus disorder of a disruptive violent nature. Additionally, a request may be denied and/or a vendor/organization may be requested to leave the campus to prevent and/or alleviate disruptive activity, blocking doorways, obstruction of vehicular or pedestrian traffic around campus, excessive noise that interferes with classroom, business or other College activities, interference with the normal functions and processes of the College or the rights of others to effectively use College facilities and property, or to prevent imminent threat of physical violence or destruction of College property.
